

GS2

LED Ground Spike IP65 Luminaire

Key Features

- Energy saving LED solution, utilising three high output LEDs
- Wide choice of fixed colour LEDs
- Choice of 3 beam angles to suit a wide range of applications
- High quality stainless steel housing with IP65 rating
- Ideal for exterior applications

Lamp Colour Options

- CW** Cool White
- R** Red
- NW** Neutral White
- G** Green
- WW** Warm White
- RB** Royal Blue
- A** Amber
- C** Cyan

Bezel Colour Options

SS - Satin silver

Materials

- Body & spike: 316 Stainless steel
- Facia: Toughened glass

Lamp Options

- 1 x Luxeon K2 single colour LED

Beam Angles

The GS2 is a single high output LED ground spike, offering fixed colour LEDs and the same high quality stainless steel construction to complement the GS1 range. With its robust construction and IP65 rating, GS2 is ideally suited to exterior applications such as landscape illumination.

Dimensions

Weight

- 0.71kg

Installation

- IP65 - ideal for exterior applications
- Secured using integrated steel ground spike.
- Supplied fitted with 2m, 2-core lead

Power Input

- 350mA

Power Consumption

- 1.3W

Wiring Diagrams

Single fitting wired in series

Multiple fittings wired in series

Recommended Drivers & Cables

- Driver to be ordered separately
- Recommended fixed output driver Cat No: LS-MPL01IP
- LS-MPL01IP will drive 1 x 1W LED's, so can operate 1 of the GS1 luminaires
